"We've used Insurity's [Policy Decisions] now for 20 years and it's been the backbone of our underwriting and policy admin system. It's a product that's easy to use, it's efficient, and it's correct – it's been a real workhorse for us."

Mike Brady
VP of Underwriting

Top 4 reasons carriers choose Policy Decisions

Launch new products quickly

- Rapidly create new insurance products with out-of-the-box bureau content for 25+ lines of business
- Capitalize on new opportunities by quoting and issuing policies in all 50 states, including the District of Columbia

Ensure regulatory compliance

- Easily incorporate regulatory changes with support for 25+ lines of business across all bureaus
- Stay informed of regulatory changes with the latest bureau content delivered straight into your rates, rules, and forms

Accelerate processes

- Empower your teams to move fast with dashboards that summarize an applicant's information, policy, class, and exposure
- Ensure tasks are completed on time with intuitive, role-based workflows for agents and internal users

Boost operational flexibility

- Optimize your policy workflows and make better decisions at the point-of-quote with integrated geospatial analytics
- Integrate with an entire ecosystem of third-party services and adapters with granular RESTful APIs
